

NILS TARANGER - Creative Producer

SUMMARY

Film-trained creative producer with 13+ years of professional experience delivering finished, distributable photo and video content across entertainment, educational, and technology-driven organizations. Specialized in on-set production, post-production workflows, content operations, and editorial storytelling that supports campaign objectives, consistent quality, and efficient production under real-world constraints. Experienced in both studio environments and independent productions, with a strong foundation in visual storytelling and cross-functional collaboration.

EXPERIENCE

Self-Employed, Remote – *Creative Producer*

JAN 2013 – PRESENT

Current focus (2025–Present): Producing documentary style brand films for clients, as well as scaling video operations and AI workflow consulting for EdTech partners.

Earlier career (2013–2018): Led creative strategy and end-to-end production for independent film projects, corporate clients, and nonprofit organizations, building strong foundation in visual storytelling, editorial direction, and production management.

Vue Mastery, Remote – *Creative Producer*

JAN 2018 – SEP 2025

- Partnered with executive leadership to execute end-to-end production pipelines for global educational content, managing creative execution from concept through multi-channel distribution.
- Owned media production operations from raw instructor recordings through post-production and delivery, utilizing Keynote, Adobe Creative Suite (Premiere Pro, Photoshop), and AI-assisted video tools.
- Managed production schedules, asset readiness, approvals, and delivery timelines across 60+ courses, demonstrating strong project management skills in fast-paced environments.
- Provided on-camera delivery guidance and recording best practices to instructors, ensuring professional-quality content and authentic visual storytelling.
- Implemented AI-assisted workflows and automation tools that reduced production time by approximately 20%, improving efficiency without compromising editorial quality.
- Managed blog and social media accounts (Medium, YouTube, X), contributing to 400%+ YouTube subscriber growth through strategic content creation and community engagement.

Various Productions, Orlando, FL — Production Assistant

2009 – 2012

- › Worked on-set for feature films and television productions filmed at the Universal Orlando backlot and elsewhere, including Scare Zone (Feature), The Tenant (Feature), Bad Mom (Pilot), The Inbetweeners (Pilot), Letters to God (Feature), Dr. G Medical Examiner (TV), and Forensic Files (TV).
- › Gained hands-on experience in professional studio production environments, supporting crew across various departments and learning industry-standard workflows.
- › Developed understanding of set dynamics, production logistics, and the collaborative nature of large-scale entertainment productions.

SELECTED PROJECTS

A Blue Flower — Director/Producer

- › Directed and produced feature-length independent documentary as master's thesis project at University of Central Florida. Oversaw all aspects of production from pre-production planning through post-production editorial and delivery, demonstrating comprehensive creative and technical leadership.

Broken Records — Producer

- › Produced experimental short film that premiered at the Slamdance Film Festival. Created a SAG signatory production company, handled casting and production logistics, creative collaboration, and festival strategy for critically recognized independent work.
